## About us:

NDT Corner was established in 2020 in Dubai as an open-access portal dedicated to advancing knowledge in the Non-Destructive Testing (NDT) industry, Asset Integrity, and Welding Technologies. Our platform provides valuable resources, including inspection tools, buyer's guides, and training materials backed by a team with over 15 years of experience in the NDT field across the Middle East and Africa, we are committed to supporting professionals and organizations in the industry.

In addition to our resources, we publish the **NDT SCOOP** magazine quarterly in Non-Destructive Testing, Asset Integrity and Welding Technologies. A specialized publication for NDT-related industries, inspectors, professionals, experts and academics.

Building on our commitment to the NDT community, NDT Corner also organized in 2024 the inaugural **NDTX** Exhibition & Conference in in (Non-Destructive Testing, Asset Integrity and Welding Technologies), and continuing our commitment of release the annual **NDTX**.
